Insist on building a brand
Insist on effective marketing
Insist on creating value for customers

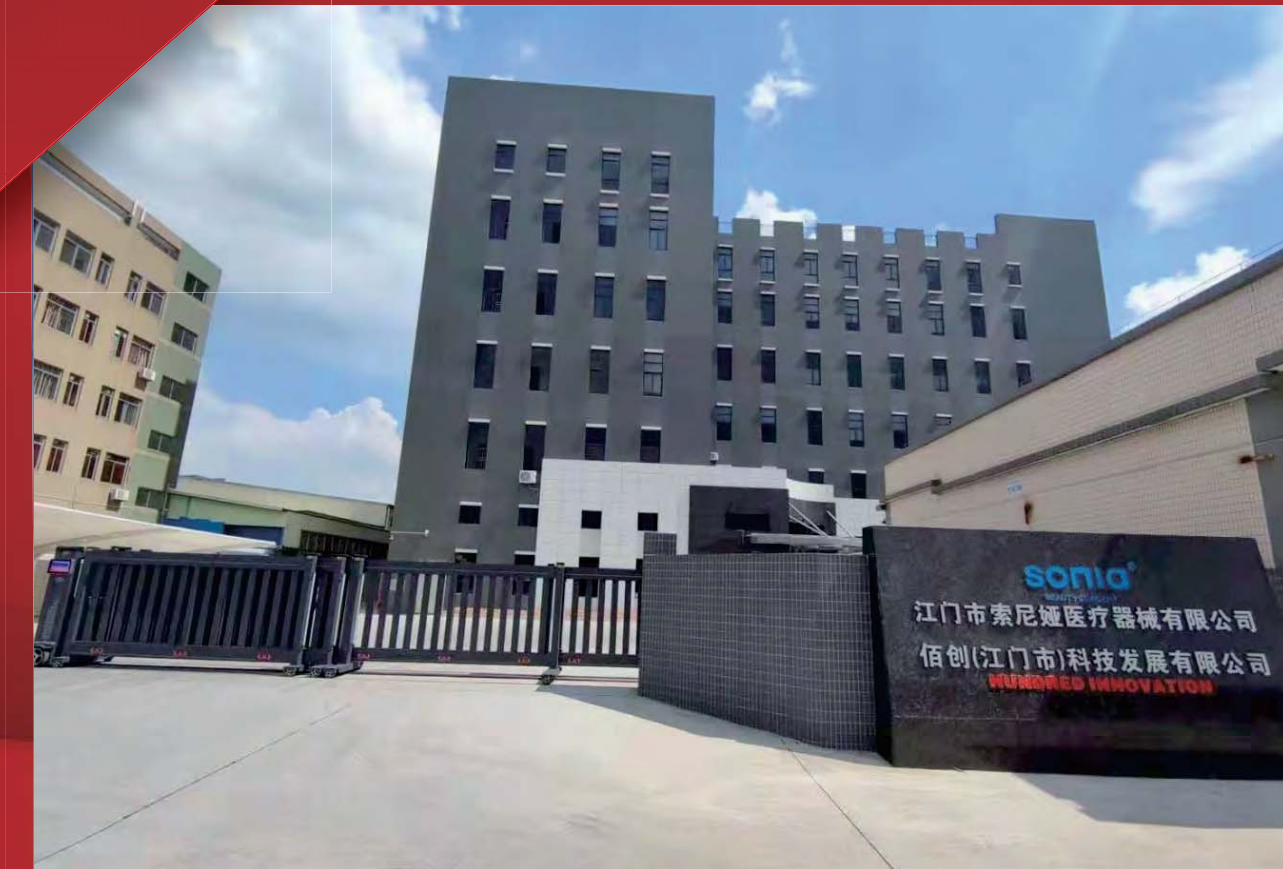

Come with me, the goal is ahead

.....With Baichuang, there is a future

THE SPIRIT OF BAICHUANG LIES IN PERSISTENCE

Another new beginning starts ,
new cycle with new legend
and new opportunities ;
It is a large space,
No matter how far you go,
Always keep in mind
your original intention,
A belief, a spirit of loyalty to my heart
Because
I am pround of being here

MAKE THE BARBECUE EASIER

HUNDRED INNOVATION

Baichuang (Jiangmen) Technology Development Co., Ltd is a factory dedicated in research and production of outdoor hardware product,it mainly covers Gas grill,Gas oven,carbon grill,heating stove "good quality,easy to use" is our aim for customer.

企业理念：为客户创造价值；为员工创造生活；为社会奉献力量

Corporate philosophy: to create value for customers; to create a life for employees; dedicated force for social
